# RICHLAND FOOTBALL TEAM LOSES TO PASCO

Outweighed and outlucked, but not outgamed, Richland lost a close game to Pasco 13 to 6. But in the passing line where four thirty yard passes spelled disaster Richland had the edge on the rail-town team but was unable to put across more than one touchdown. A goodly crowd of Richland rooters saw the game, six cars and one truck being required to take the team and spectators.

The first quarter started in badly for Richland, two long passes and a strong offensive putting Pasco into scoring distance from where they bucked their way against fighting opposition to a touchdown. Boyle, who carried the ball accross the line also passed goal. Richland kicked and held taking the ball in midfield. A consistant march down the field with Hilder Anderson, Clarence Van Dine, and Glen Curtiss carrying the ball put Richland into scoring distance. Hilder Anderson carried the ball over on an off tackle buck. After another parade down the field Richland lost the ball on an intercepted pass. Richland in this half made twice the yardage that Pasco did.

In the second half the game went on quite evenly, both sides showing best in their offensive. A long pass Boyle to their right end put them in scoring distance and again they scored the try for point being missed. Richland's resort to long passes failed but no loss of yardage was sustained. The game was unusual in that there was only one punt, that by Pasco in the latter part of the game. The Richland kick-offs were not as good as in the previous game.

The Richland play was much better than on the Tuesday preceeding, but there are many weaknesses yet to be ironed out, especially in the defense. Glen Curtiss sprained a muscle in his neck and was out part of the game. Despite the hardness of the play no one was more than bruised a bit.

The Richland lineup was C. Scott center; L. Hardin, guard; Ocheltree guard; G. Hardin, tackle; Rader tackle; C. Anderson, end; Hubbard end; Sutton, quarter; H. Anderson half; Van Dine, half; Curtiss, full.

Substitutions, Mattingly for Sutton Johnson for Ocheltree, Ocheltree for Curtis, Falstaff for G. Hardin, G Hardin for Falstaff.

Some reorganization of the team i expected before Nov. 7 when Prosse comes here to endeavor to retaliat for the defeat handed them on thei grounds Oct. 13.
