

NOT THIS TIME DUKE. Duke Washington, Pasco fullback, wasn't able to get away all the time. Here is once when he didn't. An unidentified Richland player is all set to pull the Pasco star down from behind. Coming in from the right is Bob Van Sickle (46) of Pasco, while in the background can be seen Ron Garrison (26), Richland guard. The action took place Friday night when Richland defeated Pasco 21-18.
