The Richland Bombers gave the Yakima Pirates a lesson in football fundamentals Friday night, scoring three touchdowns to drive the lesson home with a 19-0 victory.

Blocking was as precise as the books say it should be and it took only a few basic plays to smash out the yardage necessary to score three touchdowns.

Coach Francis Rish sent in 34 players during the game, but never used Bill Johnson, his fastest half back, who came down sick just before game time.

It took the Bombers some eight playing minutes to collect themselves as the Pirates took the kick-off on their own 30 and smashed down to the Richland eight before quarterback Dave Shuler fumbled the ball to Richland.

It was Shuler, Jim Greig and Jerry McKneely plunging through the line, with Shuler spreading the defense by his tricky ball handling.

Once the Bombers got the idea, Yakima was stopped.

Taking over on their own 10, the Bombers gave their fans a few squeamish minutes when George Mulligan lost 7, back to the 3-yard line. Veteran Danny Neth brought back four up the center and then Mulligan set the new pattern by breaking loose for 23 yards.

After that it was Mulligan, Neth and Ryan, off guard, off tackle and through the center, biting off yardage constantly.

Dwayne Muller, quarterback, sent Mulligan around left end with the ball, but his fake hand-offs were so sharp that Referee Tom Jacobs blew the whistle when Danny Neth got tackled. Mulligan appeared to be loose on a touchdown jaunt and the whistle brought Coach Fran Rish scooting in to protest.

"I got the wrong pig by the ear," said Jacobs, explaining that he was faked out on the hand-off.

George Stephens, in at quarterback, then stepped back and pitched a lopping 26 yard pass to Norris Brown who stole it away from two Yakima defenders and stepped out of bounds on the four.

Neth chewed up the yards in two plunges, then went over once more for the extra point with 7 minutes left in the half.

Yakima took the kickoff and managed a few yards before being forced to kick. Gary Armstrong, 190-pound tackle, got in the way and the Bombers took the ball on their own 45.

Using the same old basic plays, it took only eight for another six points, this time by Mulligan. An extra-point plunge was no good.

HOLD IT BOY — Yakima halfback Dick Greig is run out of bounds and hit hard by two Richland tacklers in the game Friday night at Richland. Richland won, 19-0.

WSC In Heavy Scrimmage

PULLMAN, Wash., Sept. 15 (AP) — Washington State ran through a game type scrimmage today with Coach Jim Sutherland and his staff worrying about blocking and tackling.

The Cougars are getting a bit tired and off on timing, said Sutherland, so twice daily practice has been discontinued and only one drill will be held each day until the opener against Stanford at

Spokane next Saturday.

Recent workouts have shown that WSC expects to have a potent air attack with sophomore Bob Newman and junior Bunny Aldrich alternating at the throwing spot.

MOSCOW, Idaho, Sept. 15 (AP) — Coach Skip Stahley, after several days of easy drill, ran the Idaho football squad through a hard game scrimmage today, the last before the opener against Washington Sept. 22.

Stahley said earlier he was cutting practice down to one drill a day and would train in secret until the Seattle game.

PALO ALTO, Calif., Sept. 15 (AP) — Coach Chuck Taylor reported his Stanford Indians were "razor sharp" today in their final scrimmage before the opening game next Saturday against Washington State.

Taylor said his players were in

good physical condition with the exception of fullback Archie Schmitt, halfback Jeri McMillin, guard Don Manoukan, and halfback Al Napoleon. These men will miss the opener at Spokane.

LOS ANGELES, Sept. 15 (AP) — Coach Red Sanders called off a scheduled full-scale game scrimmage today because of an accumulation of minor injuries among his UCLA football players. He said he wanted to take no chances on further hurts hampering the Bruins in their season opener here next Friday against Utah.

BERKELEY, Calif., Sept. 15 (AP) — The University of California football squad had its first big scrimmage today, with the Blues beating the Whites 42-33. Fullback Herb Jackson was high man with 14 points for the Blues — two touchdowns and two conversion kicks.
