THIS DAY IN BOMBER FOOTBALL HISTORY

NOVEMBER

15

November 15th, 2013: The 2013 Richland Bombers continued the Bomber Football playoff renaissance by qualifying for the State Quarterfinals for the first time since 1999. Sounds defense and a strong running game propelled the Bombers to a 21-9 home playoff victory over Skyview at Fran Rish Stadium. **Anthony Galat** ran for 133 yards of 217 Bomber rushing yards and a game-clinching touchdown gaining 114 of those yards in the second half. Cornerback Jesse Malone led the Bomber defense breaking up key passes and helping limit the Skyview offense to 281 yards overall. Elijah Norris sealed the Richland victory by intercepting Skyview at the 1-yd line with 1:40 left.

HEAD COACH

Josh Jelinek
Head Coach
1st Season
Prosser HS, 1998
Overall Record: 7-3
Conference Record: 6-2

Josh Jelinek became the 13th head coach in Bomber football history on January 5th, 2024. Jelinek, 44, has held the position of Offensive Coordinator for the Bombers in 11 of the prior 14 seasons and has become only the 7th Head Coach of the Bombers since 1946.

Jelinek was hired on the football staff at Richland High School under Coach Mike Neidhold in 2010 as offensive line coach as the Bombers returned to the State Tournament for the first time in 10 seasons. He was promoted to Offensive Coordinator the next season and revolutionized the Richland offense. As offensive coordinator, Jelinek coached 9 of the top 15 scoring offenses in Richland Football history. Jelinek helped the Bombers to a 100-38 record in 12 of 14 seasons from 2010-2023.

From 2013 to 2023, Jelinek's offenses featured the top 4 passing quarterbacks in Richland Football history. All 4 would set the season and career passing yardage and touchdown marks during his OC tenure. Zach Whitby, Paxton Stevens, Cade Jensen and Josh Woodard would improve upon each other's records from 2013-2023. Josh Woodard now holds the career passing yardage and touchdown marks with 6,401 passing yards and 75 passing touchdowns.

Before moving to Richland, Josh and wife Danielle welcomed their daughter Jordan in 2007 and moved back home to Prosser with the opportunity to teach and coach at his alma mater. From 2007 to 2008, Jelinek coached the offensive line under his high school coach Tom Moore. In those two seasons, the Mustangs went 27-1 with back-to-back CWAC Championships and appearances in back-to-back State Championship games. Prosser defeated Burlington-Edison 42-7 for their 5th State Championship in 2007 while the following year the Mustangs lost to Lynden in a bid to repeat the following season, 35-34 in double overtime.

After graduation from the University of Idaho, Jelinek accepted a position as an Agriculture Teacher and FFA Advisor at Wahluke High School in Mattawa, Washington. As the Defensive Coordinator for the Warriors from 2003-2007, he helped the program to a 29-16 record including four playoff appearances. During his time as teacher and coach at Wahluke, Jelinek and Tyler Thomas, former Prosser teammate and current Richland quarterbacks coach, won the 2005 National Indoor Football League Championship with the Tri-Cities Fever in their inaugural season.

Jelinek graduated college with a Bachelor of Science degree in Agriculture Education from the University of Idaho where he played five seasons in the trenches for the Vandals. During his time playing for the Vandals, Idaho won the 1998 Big West Conference Championship with a 9-3 record en route to a Humanitarian Bowl victory against Southern Miss. Former NFL Head Coach Tom Cable took over Head Coaching duties for the last 3 seasons of Jelinek's career.

A 1998 graduate of Prosser High School, Jelinek was selected as an All-State Lineman playing under longtime Head Coach Tom Moore. In Jelinek's four years of football as a Mustang, Prosser went 40-4, won four consecutive Conference Championships and made an appearance the 1995 State Championship game against the O'Dea Fighting Irish. In his senior season, Prosser won their 11th straight Conference Championship and maintained a 67-game regular season winning streak including 57 straight Conference games.

Taking over a program steeped in tradition and history, Josh Jelinek looks to guide the Bombers to a conference title for the first time since 2017. The Bombers take their 2-0 record to battle Southridge Sept. 21st at Fran Rish Stadium.

FRAN RISH STADIUM

The Richland Bomber Football team enters its 80th consecutive season playing in the stadium situated in the bowl adjacent to the school that came to be known as "Bomber Bowl". The Bombers played their first football game in Bomber Bowl on Sept. 28th, 1945, after a season of games at Riverside (now Howard Amon) Park. They christened the new stadium with a 7-0 victory over Hermiston.

Coach Fred Littau coached the first squadron of Bombers to play in Bomber Bowl. Using the natural landscaping of Lee Hill, the home grandstands and press box were the first structures to be built. It wasn't until 1957 when lights were installed at the Bowl and not until Sept. 18th, 1958 when the Bombers won their 100th overall game under the lights in the first night game.

Early in Fran Rish's coaching career, the Bombers won three YVIAA Conference titles at Bomber Bowl. Rish would go on to become the first Richland coach to win 100 games with 59 victories in front of the home crowd. The largest Bomber crowd gathered at Bomber Bowl for the 1951 contest vs. Walla Walla in which 6,700 fans attended. Rish won 8 Conference Championships in an era without State football playoffs.

It wasn't until 1975 when the Richland Bombers won another Conference Title. This time it was with J.D. Covington at the helm. That season, the first State Semifinal game was held at the Bowl, a shutout of Kennedy Catholic, 27-0. The 100th Bomber victory at the Bowl came in 1979 with a win over Davis.

The scenery at Bomber Bowl changed drastically in 1980 when grandstands were added to the visitors sideline along with locker rooms and concessions. The Bombers would vacate the side of the field they called home for 35 years and switch sidelines. The new capacity at Bomber Bowl now reached well over 9,000 and would be better suited to host playoff games. En route to the 1981 State Title, the Bombers hosted the second State semifinal game, a win over Clover Park.

On Nov. 9th, 1982, the School District board voted to rename the Bomber Bowl after Football Coach and Richland High Athletic Director, Fran Rish.
